

## Exercise #4A

**Patron Question 1.** You are a graduate student in psychology and you are researching how the use of cell phones changes a person's behavior. You are particularly interested in driving habits of people who use and do not use cell phones. You come to the librarian and ask:

“Where are the academic journals?”

**Patron Question 2.** You are a faculty member in nursing who is being denied tenure and you need to start looking for another job. This is an unpleasant and embarrassing situation for you. You need to find places that list professional positions in nursing education and the teaching of nursing. You do not want to work as a nurse in a hospital. You come to the librarian and ask:

“Where are the academic journals?”
