My Ups and Downs

CD Title: Jim Gill Sings Do Re Mi on his Toe Leg Knee
Song Title: “My Ups and Downs” Track #6

0-12 and 12-24 months

As I ascend my arms extend and I intend to
Stretch my body straight-as I elevate.

The music falls I’m getting small I finally sprawl
‘till I can move no more-on the floor.

My body grows and grows until I pose on tiptoes
I am way up high-near the sky.

Soon I shrink I’m on the brink
Of bruising my kneecaps-as I collapse.

One last time I think I climb this pantomime
Has surely been fantastic- like elastic.

My knees bend as I descend this song must end
While I am sitting down-on the ground.

Maybe he'll jut fly away when I say

(Repeat Chorus)

There's a little fly sitting on my knee- oh my, he's tickling me
Maybe he'll jut fly away when I say

(Repeat Chorus)

There's a little fly on my shoulder, I see-oh my, he's tickling me
Maybe he'll jut fly away when I say

(Repeat Chorus)

There's a little fly on my nose, I see- oh my, he's tickling me
Maybe he'll jut fly away when I say

Of this game that I cal “Spin Again”
One day I felt within that I must begin to spin.
Spin, spin, begin to spin.
Spin, spin, begin to spin.
Spin, spin, begin to spin.
Spin, spin, begin to spin.
Suddenly I wore a grin.
I was filled up with adrenaline.
I felt within that I must spin again.

I was losing my self-discipline.
My need to spin was genuine.
I felt within that I must spin again.

Don is playing the mandolin.
Charlie joins him on the violin.

The Nothing Wrong Song

CD Title: Jim Gill Sings Do Re Mi on his Toe Leg Knee

Song Title: "The Nothing Wrong Song" Track #14

There's nothing wrong with jumping up and down.

Just be sure that when descending your feet land on the ground.

There's nothing wrong with jumping up and down.

There's nothing wrong with stamping down your feet.
In fact without the rhythm any song is incomplete.
There's nothing wrong with stamping down your feet.

There's nothing wrong with spinning round and round.
After spinning for awhile the simplest thoughts can seem profound.
There's nothing wrong with spinning round and round.

There's nothing wrong with crawling on the floor.
Especially if you're dizzy from spinning in the verse before.
There's nothing wrong with crawling on the floor.

There's nothing wrong with singing simple songs.
The simpler the better so everyone can sing along.
There's nothing wrong with singing simple songs.
