More on digital negatives: <http://www.adobe.com/products/photoshop/extend.displayTab2.html>

From Marie Slim to All Participants

WOW!

From Joan Curbow to All Participants

What's the word you're saying? Seal lab?

From Jacob Nadal to All Participants(

C I E lab

From eileen oshea to All Participants

More info here: http://en.wikipedia.org/wiki/Lab_color_space

From Marie Slim to All Participants

Very Interesting!

From Joan Curbow to All Participants

I lost my sound

From Kevyn Barnes to All Participants

For preservation purposes, do you have reservations about scanning to PDF/A versus scanning & storing as TIFF for primarily text documents?

From Donna Fluharty to All Participants

lost sound

From Jacob Nadal to All Participants)

EyeOne ; Gretag-MacBeth

From Marie Slim to All Participants

i hear u!

From eileen oshea to All Participants

we're taking care of it, jacob

From Infopeople Project to All Participants

Donna, please call in.

From Robin Hartman to All Participants

My sound dropped but it came back.
